

The goal of this involvement campaign is to encourage members to commit a portion of their time and talent to fill the "people needs" of the congregation. This brochure represents a sampling of opportunities.

After prayerfully considering the ways in which your time and talents can help to fulfill God's mission through Faith Lutheran, please make a check next to the ways you are willing to invest your time at Faith. If one or more family member is using this form, put your initials rather than a check mark. If you are involved, or wish to be involved in programs not listed in the brochure, please note them. Please feel free to note any relevant information (e.g. prefer to usher during the summer) that might better enable committees to match your skills and availability with their needs.
